

BENTON SEWER UTILITY

Second Water Meter for Sewer Credit Application

THIS AGREEMENT made in duplicate this ____ day of _____, _____, by and between the Benton Sewer Utility of the Village of Benton, Benton, WI 53803, hereinafter called BSU, and _____, hereinafter called the Benton Sewer Utility customer (BSUC), whereby the parties mutually agree as follows:

- a. In return for the issuance of this second water meter for sewer credit, payment in the amount of \$150.00 has been made to the Benton Sewer Utility.
- b. The meter shall be installed in parallel with the other meter and shall have a shut off valve installed within 12” immediately downstream of the water only meter.
- c. The meter shall supply only outside hosebibs and garage hosebibs only if garage floor drain is not connected to the sewer.
- d. Inspection of all plumbing related to this meter has been made, or will be made on _____ by BSU personnel. Periodic inspections will be allowed by BSUC at the request of BSU.
- e. The sewer credit will start after a BSU personnel has verified plumbing to the second meter as well as the installation of the second meter.
- f. All water charges for the applicable meter must be kept current. Abuse of this policy will result in denial of future credits for sewer use.
- g. BSUC agrees to, at its expense, have this second water meter tested every five years and submit results of said test to BSU within 30 days of the receipt of these results.
- h. If at any time, the BSU determines that the BSU customer has violated any provision of this original application, the BSU will have the right and obligation to remove the sewer credit from all further utility bills of said customer.

I understand and agree to the terms of the application for a Second Water Meter for Sewer Credit listed above.
