

# BUILDING SITE PLAN

Owner \_\_\_\_\_ Description of Site: \_\_\_\_\_  
 Community \_\_\_\_\_ Section No. \_\_\_\_\_ T \_\_\_\_\_ R \_\_\_\_\_  
 Application No. \_\_\_\_\_ Lot No. \_\_\_\_\_ or Subdivision \_\_\_\_\_  
 Street Address \_\_\_\_\_

## LOCATION MAP

### Location Map Instructions

Draw in roads or streets, showing building site on road by distances from ¼ Section Corner or other established landmarks. Identify all roads shown on map by kind and class.

### Building Site Plan

Draw on “Building Site Plan” the location of proposed building, showing distance from the setback line, and building dimensions. Locate neighboring buildings by distances. Indicate North.

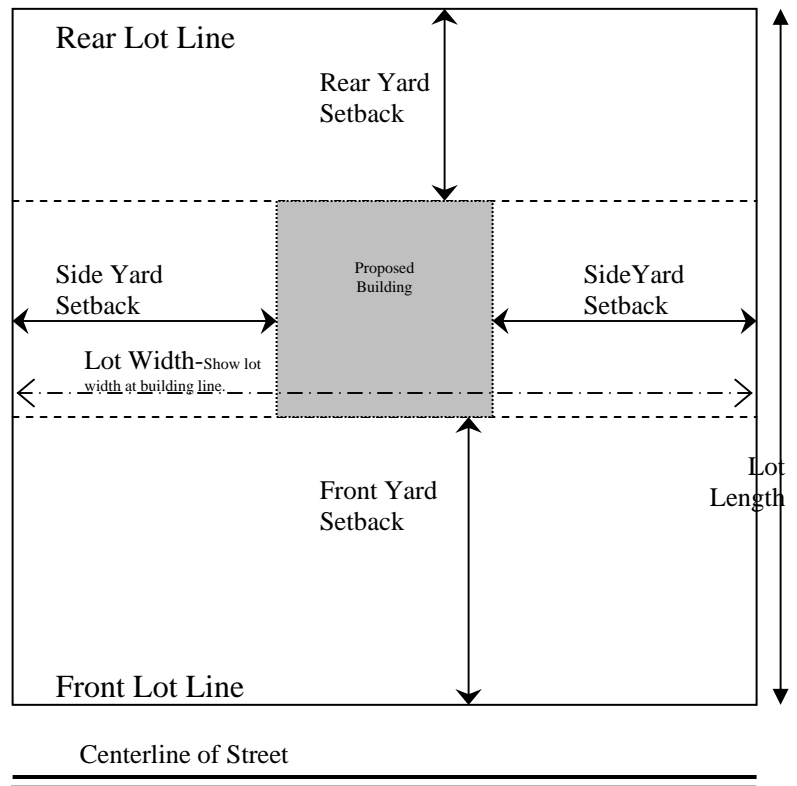

Fill in all required measurement.

-If corner lot, show other road and setback.

-Show location of any existing buildings (EB), proposed buildings (PB), and proposed accessory buildings (AB).

-Show location and width of access driveway.

## SITE PLAN

### Conditional Use Site Plan

If application is for a Conditional use, as specified in the zoning ordinance, attach additional plans and data necessary to properly evaluate the request.
