Do you have any outstanding utility bills at this time? _____ If yes, please explain: _____

The above provided information is true to the best of my knowledge. I authorize Benton Municipal Utility to contact my previous utility providers and/or previous landlords. I understand this verification process may take up to ten business days, and I further understand that I may be required to pay a utility account deposit equal to two months service if it is discovered that I do have a history of outstanding utility bills and/or a poor payment history.

In addition, I understand that once utilities have been approved and put into my name, it is my responsibility to notify the utility of any changes in occupancy at this location. Written notification is required when additional tenants move in or out of this location. Further, I understand that I am responsible for the utility charges incurred at this location from the date requested on page one of this application until I notify the utility in writing that I have moved and am no longer responsible for this utility bill.
