

1. **BINS:** Each household is allowed two bins free of charge. Additional bins are available (for a charge) at the Village Office.
2. **LEAVES:** Leaves are picked up in the spring and fall on a schedule to be mailed out in April and October. Please consider composting leaves and yard waste or take them to the compost pile on Dump Road.

3. **GRASS CLIPPINGS:** Grass clippings are NOT picked up. Compost them, find someone that does, leave them on your yard, or take them to the compost pile.

4. **BATTERIES:** OBTAIN A STICKER FROM THE VILLAGE OFFICE, place batteries (with sticker) curbside for pickup on the 1st Monday of each month. Stickers are free of charge for batteries, however, you must have a sticker on your battery to have it picked up.

5. **APPLIANCES:** OBTAIN A STICKER FROM THE VILLAGE OFFICE, place appliances (with sticker) curbside on the first Monday of each month. The cost for an appliance sticker is \$5.00. No appliances will be picked up without a sticker. Furniture, TV's, lawnmowers and

humidifiers are considered rubbish and can be placed curbside with garbage on Tuesdays.

6. **TIRES:** OBTAIN A STICKER FROM THE VILLAGE OFFICE, place tires (with sticker) curbside for pick up next to your recyclables on any Tuesday of the month. The cost for each tire sticker is \$2.00. No tires will be picked up without a sticker.
7. **CONSTRUCTION WASTE:** Construction waste will be picked up in a limited quantity. A maximum of ½ yard per household or the equivalent of two 55 gallon cans or four 35 gallon containers will be picked up per week. A maximum amount per year of four yards will be picked up from each household. Once a household has met its maximum limit the property owner must contract directly with Allied Waste for additional pick ups.
8. **LARGE ITEMS:** Larger items, not manageable by one person, can be placed at curbside for pickup only after the property owner has contacted the Village Office to schedule a pick up. Allied Waste reserves the right to make an additional charge to the customer for excessive amounts of larger items.

RECYCLING INFORMATION

VILLAGE OF BENTON

IMPORTANT REVISIONS!! Please
read carefully.
Revised: April 16, 2008

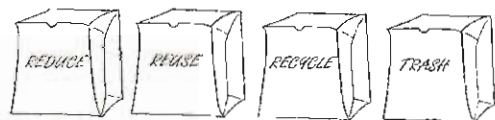

TUESDAYS: Recycling days are every Tuesday. Place recyclables into recycling bins, provided at no cost to Village property owners (limit two (2) per household) or other appropriate containers. Set these containers out curbside next to your regular garbage by 7:00 a.m.

Please prepare your recyclables as follows:

Newspapers and Magazines – Tie into bundles or put into recycling bins provided. **Glossy advertisements, magazines, phone books, computer printouts are recyclable.** Please don't let these get wet; place in plastic bags on wet days.

Glass – Only unbroken clear, brown or green glass that contained a food or beverage will be accepted. Rinse clean; remove lids. Labels can stay on. Place in approved container. Broken glass is NOT recyclable.

Plastic – Rinse clean and remove caps. Flatten to save room; tie into bundles; or place into approved container. Recycle milk, pop, and detergent bottles, and plastics with a #1 through #5, and the #7 marked on the bottom.

Oil jugs and oil bottles can be recycled.

Metal – Rinse clean; remove labels; and flatten if you need to save room. Put into approved container. All aluminum products, tin and steel cans, containers for prepared foods will be accepted.

Cardboard – Flatten and bundle corrugated cardboard; remove tape and staples. Cereal boxes and pop or beer boxes ARE recyclable, but pizza boxes are NOT.

Paper – Office paper is recyclable. Place office paper in the recycle containers. As with newspapers and magazines, please don't let these get wet.

Waste Oil – Must be put in 1 to 2-gallon sized plastic containers with screw on lids only. Snap on lids with tape are no longer acceptable. Place permitted oil container next to recycling container at curb side on any regular pick up day. **NO SNAP ON LIDS ALLOWED-NOT EVEN IF THEY ARE TAPED.**

The following are not recyclable: Lightbulbs, window glass, dishes, Pyrex glass, mirrors, packaging pellets, plastic bags, hard plastics (furniture, toys, pails, etc.), plastic cups, medicine bottles, aluminum foil, bottle caps, cardboard sided juice cans, aerosol cans, paint cans,

photographs, and glue pads. Syringes should be placed in an appropriate SHARPS container and disposed of properly.
