Seniors United for Nutrition Program, Inc.

Mission Statement

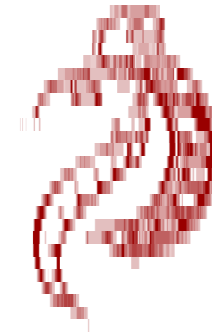

The SUN Program supports and assists seniors 60 and over by providing hot, nutritious meals, home delivered or in a group setting to promote fellowship and reduce isolation. It also provides prevention programming to assist in maintaining independence and involvement in the community.

Congregate & Home Delivery

Noon meals are offered Monday through

Friday at a local community site. SUN served 39,714 meals to seniors in Iowa and Lafayette Counties in 2015.

The nutrition program provides education and entertainment along with the meal, as well as socialization and fellowship. "It is more than just a meal!" There are opportunities for speakers, music, cards, sharing of talents, exercise classes, and good times spent together! Home delivery is also available (Meals on Wheels).

Please make a reservation to attend the dining site at least one day in advance. Suggested donation: \$4.25 Congregate; \$4.75 Home Delivery.
